## The #1 source for all your Foodservice Equipment and Supplies

### CAMBRO

MANUFACTURING COMPANY

Food storage containers help you make the most use of your storage area.

Camwear Food Storage Containers

Easy to read imprinted graduations on the outside for inventory at a glance. Camwear squares withstand temperatures from -40°F to 210°F. Seal covers (sold separately) fit tightly yet can be easily removed with thumb tab. Dual inner and outer seal provide excellent spill resistance. *New Seal Covers* available for Polycarbonate Squares only. Seal covers have molded-in holes in the handles for quick and sanitary drying. Translucent lids make contents easy to identify and withstand temperatures from -40°F to 160°F.
